SHARMA GROUP
WAREHOUSING . LOGISTICS . REAL ESTATE

About us

Group Overview

Group Experience: The Group has built over 2 millions square feet of warehousing space over the last three decades, catering to over 40 companies across diverse sectors such as FMCG, Automobile, 3PL, Manufacturing and Retail industries.

Group Ideology: The Group looks to develop modern scalable logistic parks and focuses on providing support to its clients to help them manage their logistic operations. The company has a separate facility management team to ensure that the client operations run smoothly. The promoters have a strong local presence and go out of the way to liaison with local authorities such as unions or government bodies to support the clients operations.

Business Model: The Group acquires land and gets the prerequisite permissions to build scalable organized logistic parks. The group looks to build quality logistic parks and lease them to companies on a long term basis while retaining the maintenance of the facilities. The company has not sold any land parcel and looks to own, develop and maintain the facilities.

Management Team

- **Dr. Anurag Sharma:** An ophthalmologist by education, Dr. Anurag Sharma is the Founder of the Sharma Group. He set up the Group in 1975 and has been involved with the set-up of logistic facilities in and around the National Capital Region ever since.
- **Samridh Sharma:** Samridh is an Engineer from Delhi College of Engineering and has completed his Masters in Business Administration with a specialization in Finance from Indian School Of Business, Hyderabad. Samridh worked with IBM for 3 years and is the Director of the Sharma Group since 2010.
